Carver High School

The weeks roll by and the news come in and so the world moves on.

Last Thursday the NHA's sponsored "Blackburn, the Magician" at an afternoon program. He was very entertaining. We haven't figured out yet where the live white goose went - he only vanished. His candy making and orange producing tricks were clever, too.

The Senior and Junior English classes saw Shakespeare's "Hamlet" which was shown at the Warner Theatre, Lynchburg, on Tuesday morning. The acting, they report, was excellent, and to see it makes the tragedy more memorable. Mrs. James, instructor, was anxious for them to see it, as the Seniors will soon study "Macbeth," which is similar in many ways to "Hamlet."

Achievement Day last Friday was the best yet. The entire program was educational. Two members this year brought a beautiful pair of chinchilla rabbits and a pair of ducks. Many parents were there.

Athletic equipment which Mr. Butler purchased last week is very nice. We'll be glad when it stops raining so we can use it.

Deaster Johnson, a freshman at Virginia State, was excused to be with us on Achievement Day. He served as master of ceremonies for a portion of the program. He is State President of the Virginia 4-H Short Course. He looked well in his ROTC uniform, too.

The Student Council held its first meeting October 23. The candidates running for offices are:

President: Charles Jeffries and Gertrude Mickle.

Vice-president: McKinley Tanner and Warren Minnifield.

Secretary: Jacqueline Lawing and Edna Williams and Margaret Madison.

Treasurer: Donald Doss, Lillie Lewis, Johnny Paige.

Chaplain: Curtis Whitted, Algie Williams.

They have set up several objectives but won't begin until campaign speeches are given. This will be given Friday and the student body will vote by ballot.

The N. H. A. Club will present to the school the United Nations flag on October 30.

Nancy Harvey and Curtis Whitted have been chosen to represent the eighth in the Student Council this year.

Mr. Walker, veteran instructor, showed to the eighth grade a movie about planning on last Monday.

Why does William Lipford try to know everything about everything?

Allen Watkins threw away his science book to keep from studying.

The ninth grade science class is studying the factors of our environment. There is much talk about this unit.

In Saturday's "News" we saw the literary loan release of $200,000 for the construction of the Carver Elementary and High School. We have been looking for our name in school building lists and now look for the beginning our building program.

Our closing thought: "There is no great genius without a mixture of madness."

ENGAGEMENT IS ANNOUNCED

MOSES - WEAVER

Saint Dominic Catholic Church in Baltimore was decorated with fall flowers for the marriage of Miss Agnes Cecelia Weaver, daughter of Mr. and Mrs. Raphael F. Weaver, of Baltimore, to Don Moses, Jr., son of Mrs. Don Moses, of Appomattox the afternoon of October 14 at 3:00 o'clock. Father John P. Kelly officiated.

Given in marriage by her father, the bride wore a street length dress of agua satin crepe designed with a V-neckline, tight bodice and short sleeves. Her small black velvet hat was trimmed with velvet flowers. She carried a bouquet of mixed flowers centered with an orchid.

Miss Catherine Foehrkolb, a close friend of the bride, was maid of honor. William S. Moses, of Roanoke, brother of the groom, was best man. Ushers were Francis Rosenblock and Clearance Pitts, of Baltimore.

A reception was held at Elsmere Avenue in Baltimore after the ceremony.

After a motor trip to Virginia, the couple will make their home in Baltimore.

IMPORTANT NOTICE

What To Do In Event Of Fire

After midnight of October 31, 1950, the Town of Appomattox will be 100% Dial Telephone Service and so will the Town's Fire Alarm, except for a manual button designated by a red light on a light pole between Dr. Christian's residence and the Moses Motor Co. on the East side of Church St. These instructions also appear in the Telephone Directory as follows - and should be adhered to very carefully:

WHEN YOU DIAL

DIAL 2002

the fire alarm is automatically started. You must then hold the line until the first fireman reaches the station and answers the telephone. You will tell him the location of the FIRE.

DO NOT DIAL 2002 unless you NEED the Fire Department. Indiscriminate dialing of this number will utterly destroy the effectiveness of the Fire Department.
This published notice is particularly for those citizens who do not have a phone. We urge your cooperation.
